10th May 2023

Dear Parent / Carer,

RE: Redevelopment of Nursery (F1) & Reception (F2)

You will have noticed, by now, that there is a lot going on at Bidston Avenue Primary School!

Not only are we in the last stages of the roof replacement scheme, which is jointly funded by the Government's School Buildings fund and ourselves, but we have spades in the ground to start the redevelopment of the nursery and reception areas.

We are replacing the old reception area canopy with a wider and longer version and creating a new one in the nursery area. They will both ensure that even more outdoor play is permitted and promoted.

On top of that, both areas will have new equipment fixed into the ground and moveable across the areas.

The new developments will help to further improve standards in early years for our youngest children.

Thank you for your patience whilst it is being built.

Yours sincerely,

S.G. Brady
Headteacher
