Welcome to Year 6

We would like to take this opportunity to welcome your child to Year 6. We have enjoyed meeting them during the first few days. We look forward to working with them and you this school year.

As well as delivering the Year 6 curriculum, we will also endeavour to prepare your child for transition to secondary education.

We hope that they have enjoyed their first days in Year 6 and are feeling happy and settled.

Homework

The completion of homework is important in order for children to make the required progress in Year 6 and will help prepare them for what is expected of them at secondary school.

Your child will receive at least three pieces of homework a week as well as the continued completion of their Reading Record each night.

Maths and English Homework

Children will be given a maths worksheet, reading comprehension and a set of spellings to learn each week. All homework is given out on Wednesday and should be returned by the following Monday, to enable the children to learn their spellings ready for a test.

Reading Records

At Bidston Avenue, we value the importance of Reading, as we believe it is an essential life skill and a great way to develop imagination and creativity.

Reading Records should be returned each week on Mondays. Please sign the Reading Record when you have heard your child read. The children should strive to read five times a week with an adult.

PE

PE this half term will be on Thursdays and Fridays. Please ensure your child is wearing the correct PE kit. This is a school jumper, white polo or T-shirt and dark shorts or tracksuit bottoms. Children should not wear any earrings on PE days and their hair should be tied up, as always.

If you have any concerns, please do not hesitate to contact one of the team. We look forward to working with you this year.
