**'A Concert for Peace'**

**Floral Pavilion, New Brighton**

**Wednesday 20<sup>th</sup> June 2018**

I was involved with the 'All You Need is Love' concert on Wednesday evening. I was singing with a choir and helping with the entrances and exits backstage.

I just wanted to say not only were the pupils amazing singers but their behaviour was brilliant.

They had to wait patiently and quietly and were so polite saying 'thank you' for holding the door open.

Please pass on a massive well done to all involved.

Thanks
