

Governor Visit Report

Name	Mrs Janice Monty
Date of Visit	Friday 7 th January 2022
Focus of Visit	Safeguarding Review
Classes/staff visited	Mrs K. Hackett, Deputy Headteacher
Summary of activities e.g. observing classes, talking to staff and pupils, looking at resources, had lunch etc. I met with KH in her office. We discussed the following:- <ul style="list-style-type: none">• Schools approach to peer-on-peer abuse• Reporting systems and how they are used and if they are effective.• Procedures• How is safeguarding taught to children and young people• How is on-line safety taught• Multi-agency safeguarding arrangements• Serious violence• Updates to the school Safeguarding Policy. I was provided with a copy of the school's curriculum plans.	
How do you feel this visit has helped you to develop your role as a Governor? This was a very informative session and this information has made me feel confident in our processes. One aspect stood out for me was that the way this is taught as part of the curriculum is comprehensive for children and age appropriate on how to keep safe.	
Positive comments about the focus The reporting systems are very effective, staff are regularly trained and well aware of what is current e.g. county lines and the impact that this can have on a child. The policy is up to date and is updated when Government changes are put in place re Covid so this has become a 'live' document. The new reporting system has made it easier with regards to reporting and this is overseen on a daily basis by both the Deputy and Head Teacher.	
Aspects I would like clarified / questions I have None.	
Ideas for future visits	
Any other comments Thank you, Kathy, for your time and your preparation before the meeting which really helped to guide and give me the information I needed.
