12<sup>th</sup> June 2023

Dear Parent / Carer,

### **RE: Praise for our Year 4 London Group – 8<sup>th</sup> to 10<sup>th</sup> June 2023**

I hope this letter finds you well and enjoying the summer season. I am writing to share some wonderful news and express my heartfelt pride in our amazing children and dedicated staff.

Our recent London visit was an extraordinary experience, and I am pleased to inform you that it was an outstanding success. The children displayed exemplary behaviour throughout the trip, and their conduct was commendable, both in London and at the Trooping of the Colour event. Despite the sweltering heat on what turned out to be one of the hottest days of the year, their enthusiasm, resilience, and impeccable manners shone through.

I want to take this opportunity to express my deepest gratitude to the staff (including our friend Karen Inman from the Gateway Church) who worked tirelessly to organise and facilitate this memorable trip. Their commitment to providing enriching educational experiences for our children is truly admirable. Their efforts did not go unnoticed, as we have received numerous emails (**see the reverse of the letter**) and verbal comments from members of the public and event organisers praising our children's conduct and respectful behaviour.

It fills me with immense pride to witness such positive feedback and recognition for our school community. This accomplishment reflects not only the exceptional behaviour of our children but also the strong values we (school and home) strive to instil in them daily. These experiences provide invaluable opportunities for personal growth, cultural awareness, and the development of essential life skills.

As we celebrate this achievement, I would like to acknowledge your role as parents and carers in nurturing and supporting your children. Your guidance and involvement have undoubtedly played a significant part in their character development, and we are grateful for your partnership in their education.

Once again, I extend my heartfelt congratulations to our incredible children and school staff for their remarkable efforts. We truly have a remarkable community, and I am privileged to serve as the headteacher of such a wonderful school.

Thank you for your continued support.

Yours sincerely,

S.G. Brady  
Headteacher

## **Emails received over the weekend...**

Dear Sir / Madam,

*Yesterday I had the pleasure to watch the Colonel's Review for the Trooping of the Colour. I was sat next to and behind your staff and Year 4 pupils. I wanted to share how wonderfully behaved they all were, particularly given the long event in what turned out to be very hot conditions.*

*Your staff and parents should be very proud of their exceptional behaviour. I witnessed an extremely polite, calm and respectful group of pupils who remained in their seats for an extended period of time. The pupils listened and responded quickly to requests from teachers and their friends, showing consideration and kindness to all around them.*

*Their outstanding behaviour is an absolute credit to your school. Well done Year 4 (and obviously the staff too!!).*

*With best wishes  
Karen Ridd*

Dear Headteacher and Governors

*My family and I are just sat on the train from London Euston to Liverpool which as you will know has been severely impacted by a fire on the line this afternoon. Whilst waiting in Euston station we couldn't help but notice how well behaved and patient your children were. In addition, the staff were also very patient, which can't have been easy not knowing if trains were going to be reinstated.*

*I just wanted to email to share how impressed we were and how proud you should be of your staff and pupils.*

*I hope they all had a wonderful time in London and the disruptions didn't ruin the experience for them.*

*Very best wishes*

*Kelly*

Good Afternoon,

*Congratulations to everyone from Bidston Avenue school on your behaviour at an extremely hot Trooping the Colour today. The school were sat a couple of rows in front of us and they were so well behaved we wouldn't have known a school group were there.*

*We hope everyone has enjoyed their visit to London.*

*Kind regards,*

*Lydia Carver*

Dear Sir/Madam

*I have just attended Trooping the Colour and was seated next to, and behind your Year 4 pupils and staff.*

*I just wanted to email and congratulate your pupils and staff on their outstanding conduct. Your pupils were behaved perfectly at all times, they cooperated well with staff, following all instructions immediately. They were respectful to others and each other. I saw spontaneous reading for pleasure and resilience during what was a long and hot event. I cannot commend their conduct enough.*

*Kindest regards  
Siobhan Evans*
