Make a Strong Start!

This week, Mrs Brady led two sessions on 'Making a Strong Start in Reading' for F2 and Year 1 parents/carers.

Over 70 of our families came to enjoy a bit of a Read Write Inc session and learn about the reading resources to help children be ready to hit the ground running in September.

Chester Zoo 2024

We have been involved in a project with Chester Zoo. Some of the education officers from the Zoo came to school to inform us of the sustainable palm oil community project.

Chester officially became the world's first Sustainable Palm Oil City, following Chester Zoo's work with local community and schools. It is fantastic that we've been able to be part of project this year. We had a fabulous visit to the zoo to see the conservation work in action.

Modeshift Stars Award

We have received Green status from Modeshift STARS, the Centre of Excellence for the delivery of Effective Travel Plans in Education, Business and Residential settings. Mrs Birch and some Junior Travel Ambassadors attended the awards afternoon with other Wirral schools to celebrate our school success.

Taicang Visitors

Last week, our friends from our sister school visited and were immersed in an English school experience. They enjoyed school lessons, trips to Chester Zoo and Goodison Park. They loved it here and want to come back, plus they can't wait for our school to return in 2025....

Summer Holiday

We hope that the hotter weather is coming! Have a fabulous break and come back refreshed in September. We also send our best wishes to our Year Leavers 2024. They have had a brilliant start and they are ready to fly.

See you on Tuesday 3rd September 2024 with new finishing times:

- 3:15pm for Nursery to Year 2
- 3:20pm for Years 3 to 6
