16th December 2024

Dear Parents and Carers,

I am writing to share some important news regarding our Special Educational Needs Coordinator (SENCo), Mrs Thompson.

After dedicated years of supporting children, families, and staff at Bidston Avenue Primary School, Mrs Thompson has made the decision to move on to a new role with Wirral Council in January 2025. This exciting opportunity will allow her to bring her wealth of expertise to a wider audience, supporting schools across the borough. While we are, of course, sad to see her leave, we are incredibly proud of the contribution she has made to our school and know she will continue to make a positive impact in her new role.

Mrs Thompson's commitment to our pupils, particularly those with additional needs, has been invaluable. Her care, expertise, and dedication have been instrumental in ensuring that all children at Bidston Avenue are given the support they need to thrive. On behalf of the entire school community, I would like to thank her for everything she has done and wish her every success in the next chapter of her career.

I am also pleased to let you know that Miss Butterworth will be stepping into the role of SENCo from January 2025. Miss Butterworth is a highly skilled, highly qualified and passionate member of our teaching team and brings a wealth of knowledge (incl. a master's degree in child and adolescent well-being), energy, and enthusiasm to this important role. She has been working closely with Mrs Thompson over the last few weeks to ensure a smooth transition.

Yours sincerely,

S.G. Brady
