## Stars for Jars

We have begun a new initiative this week. When a class has everyone in school in a day, the class receives a star for their jar. When 10 stars are collected the whole class receives a reward.

Which class will be first to collect their reward?

## Punctuality matters...

Arriving on time for school is important as late arrivals are disruptive for the class and can be embarrassing for the child who is late. Children arriving late also miss important learning.

Small changes can make a big difference! Why not pack your child's bag or lunchbox the night before? Set the alarm clock ten minutes earlier? These small changes can help everyone to be ready to leave home in good time, arrive at school punctually and be ready for the day ahead.
