Fun Engaging Exercises to
start your School Day!
For all children at Bidston Avenue!
What a great way to
start the day!

Children can have a wonderful start to the day by engaging in activities before school starts officially.

Wake up Shake up is a fantastic way to start the day. It involves simple movement-based activities (like dancing, stretching, or light exercises) to energise children and prepare them for the day ahead.

Stars for Jars

What a great week for 2B who got 4 stars for their jar.

Year 2 had the highest overall attendance. Keep going Year 2!

5R got their first star. Well done. Let's see how many you can get next week.

Come on 1CM and 3J. You can do it!
