WEEKLY WHOLE SCHOOL ATTENDANCE 95.3%
YEAR TO DATE WHOLE SCHOOL ATTENDANCE 93.7%

Well done to 4S. They are the first class to get to 10 stars. They had a fabulous 99.4% attendance this week.

A+

Stars for Jars

There has been a real improvement this week. Well done everyone.

All classes now have stars.

Let's see which classes can achieve their reward next. Maybe 4S will get their second one soon too!

90% Attendance

90% seems good but in terms of attendance it isn't. If your child has 90% attendance, they will have the equivalent of half a day off per week, which adds up to 247 days off over their full school career. This equals one full school year of lost education.
