## Stars for Jars

Once again, 4S have done well with collecting three stars this week.

After a slow start, 3J have earned stars this week. Hopefully this will continue.

The children love looking at the star display on their way to lunch.

## Attendance Information

During parents' evening meetings you will be given a copy of your child's attendance. We do understand that sometimes children are ill but we want to work together to improve attendance across the school. If you need help, please contact Mrs Hackett.
