16th February 2021

Dear Students & staff,

Thank you all so much for this very kind donation of £108.29 made in support of Cancer Research UK and our vital groundbreaking research. Whilst I'm not sure exactly how you chose to raise this money or if you held any special activities or events as a school, what I do know is that your efforts are greatly appreciated. From everyone here, thank you so much for thinking of us; your support means so much and we promise to make it count.

We appreciate that you may have included a personal story with your very kind donation and ordinarily we would recognise this in our response. Due to the unprecedented current circumstances we are not able to do this but did want to make sure that you knew we had received your donation safely and that we are extremely grateful.

Thousands of people are alive in Britain today thanks to progress made in cancer research. Cancer Research UK helped prove the value of cervical screening, which now prevents thousands of deaths every year. However, our funds are raised almost entirely through public donations so we rely overwhelmingly on the support of people like you.

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at supporter.services@cancer.org.uk to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at www.cruk.org.

Together we will beat cancer.

Yours sincerely,

Trudy Stammer
Head of Volunteer Fundraising
