Stars for Jars

2B have had an amazing week! Not only is their attendance 99.3% but they have added another 4 stars to their jar. They are closely followed by 1B and 4S. Both 2B and 1B have managed to get their 10 stars! Well done.

Acceptable Attendance

You should have been given a copy of your child's registration certificate at parents' evening. Please have a look at what this means. If it's a struggle, let us know. We can help.
