Dear Parents and Carers,

An Exciting New Chapter for BiddyAve

I am writing to let you know that from 1st April 2025, Bidston Avenue Primary School will officially become an academy and join **The People's Learning Trust (TPLT)**. This marks the beginning of a new and exciting chapter for our school, our children, and our community.

Over the past months, we've worked closely with governors, staff, and local partners to ensure that this move supports everything we believe in at BiddyAve – putting children first, valuing every family, and helping all pupils to thrive.

What does this mean for you and your child?

In practice, school life will continue as normal. Our name, uniform, and the familiar faces of our dedicated staff will all remain the same. But becoming part of a strong trust like TPLT gives us greater freedom to shape our curriculum, invest in resources, and strengthen support for all pupils – especially those who need it most.

You can find more details about the trust and the reasons behind our decision on our school website here: <https://www.bidstonavenue.wirral.sch.uk/page/?title=Academy+Status&pid=88>

This decision is about making sure Bidston Avenue Primary continues to thrive – not just now, but in the years ahead. We remain proud of our roots in the Wirral community and committed to the values that have shaped our school for generations.

Thank you, as always, for your support. We're really excited about what the future holds and will continue to keep you updated along the way.

Yours sincerely,

S.G. Brady
Headteacher
