Dear Bidston Avenue Primary School,

Thank you so much for your kind donation of £870.17.

By supporting Claire House you're helping our mum look after poorly children and babies.

Our mum is a Nurse Consultant at the hospice. The best thing about our mum is that she is a nurse and makes other people feel better. She has a caring heart and makes the children feel happy.

She is a good nurse because she always cares for children that need her and she is always there to help people when they need help the most.

We're so proud of our mum. She is sometimes on call and works through the night and she is always on her phone, helping people. She always comes home really tired and if you're tired it means that you've done something really good and worked hard.

People are lucky to have our mum to help them and we don't mind sharing her with the other children that need her.

Thank you for helping our mum care for seriously ill children. Your support means that she can keep caring for poorly children at Claire House.

Thank you
