WEEKLY WHOLE SCHOOL ATTENDANCE **94.67%**
YEAR 6 DATE WHOLE SCHOOL ATTENDANCE **93.90%**

ATTENDANCE WHY IT MATTERS

Children who attend school nearly every day in Year 6 are

30% MORE LIKELY

to reach the expected standard in reading, writing and maths compared to their peers

This means that children attending school every day are more likely to be ready for secondary school

Stars for Jars

Five classes earned two stars this week. Let's finish the term with really great attendance. Our whole school school attendance is creeping up. Let's keep it going.

Spotlight on persistent absence

What is persistent absence? If your child takes too much time off school they will become categorised as PA or persistently absent. (Attendance below 90% = persistent absence). Missing school will make your child fall behind in lessons and will impact on their academic progress and achievement. Don't allow your child to become a PA student.

HOW MANY DAYS OFF WILL MAKE YOUR CHILD A PERSISTENT ABSENCE STUDENT?

Half-term 1	3 ½ days off school from September until October half-term holiday will make your child a PA student.
Half-term 1-2	7 days off school from September until the Christmas holiday will make your child a PA student.
Half term 1-3	10 days of absence from September until February half-term will make your child a PA student.
Half term 1-4	Half-term 1-3 12 ½ days of absence from September until the Easter holidays will make your child a PA student.
