Dear friends

Thank you all so much for your very kind donations of waterproof coats and shoes, which will be greatly appreciated by our clients. Thank you also for the lovely labels that came attached to the clothes, they were very colourful and heartfelt.. We want to help transform lives and help people out of poverty and we can only do this because of supporters like you.

With signs of Summer all around us, we can easily forget the difficulties that people face on a daily basis. Through the rain and the sun, we open seven days a week to provide morning, lunch or evening meals, clothes, toiletries and household goods, as well as providing medical advice from a variety of visiting practitioners.

When he opened the Mission in 1892, Charles Thompson wanted to provide a place for people to come and be supported in whatever situation they found themselves in. Thank you so much for your ongoing support in helping us sustain this ongoing work.

Yours sincerely
