Dear Pupils and Staff,

We are writing to say how delighted we were with all the entries that we received from your school for this year's Chris Salmon Poetry Extravaganza. We appreciate all the effort that went into producing these wonderful poems. In particular we would like to mention year 3 pupil Miya in Miss Mearns class, whose poem "Hero in Heaven" was shortlisted to be considered for a prize as the judges liked it very much. This was a massive achievement considering we had over 1300 entries this year.

The 2020 poetry competition launches in October 2019 and the theme will be "Freedom", we look forward to receiving all your magnificent entries as we know the standard from Bidston Avenue is always very high and we hope that you will have a number of winning entries next year.

Good Luck and Best Wishes,

Julie, Rich and Jonny Salmon
