Dear Mr Brady and all the staff and pupils at Bidston Avenue Primary School,

Thank you so much for taking part in our Let's Go Green day and for raising a fantastic £366.04!

I have enclosed a certificate of thanks that you may wish to display.

Your support will help our cancer patients, young and old, get the best possible care. With your help, we are able to fund vital research, treatment and services that would otherwise be unavailable. These range from the latest innovations in cancer treatment to the special touches that really help to change lives.

Each year, The Clatterbridge Cancer Centre provides over 240,000 treatments and appointments to patients at our centre in Wirral, our satellite radiotherapy centre in Liverpool and our network of chemotherapy units across the region.

On behalf of these patients, their families and our staff, thank you once again for your kindness and support.

Yours sincerely,

Elspeth Wilson  
Fundraising Manager
