## Scouting STARS Learn to Scoot Session

Dear Parent/Carer,

On **Friday 12<sup>th</sup> September 2025**, we will be holding a Learn to Scoot session called Scouting STARS, with Wirral Council's Road Safety team. This will be a chance for all the children in Year 1 to practise the balancing, braking and general handling skills through a series of fun games.

Children will need to bring their scooter into school with them to be able to take part. It is important that all scooters are in good working order. This means:

### Scooters with:

- good working brake(s).
- working wheels.
- a frame with no cracks on the welded joints.
- deck tape.
- secure handlebars, bar ends and bar plugs.

**Your child will need a helmet to take part in this session.**

**If your child doesn't have a scooter but you would still like them to take part, they can borrow one from school.**

If you would like your child to be able to participate on the day, please fill in the attached form and return to class teacher on Monday 8th September 2025.

Many thanks,

**Mr. S.G. Brady**  
Headteacher
