24th October 2025

Dear Parents and Carers,

As we reach the end of this half term, I want to thank everyone for their support and involvement in what has been a brilliant few weeks at Bidston Avenue.

Our autumn term started with our **Bonding Weeks**, including an exciting visit from Wheels Extreme, which really brought the school together (you can see photos and details in our latest newsletter or on our social media). Since then, pupils have enjoyed a fantastic range of sports activities and after-school clubs and there are more to come after half term, so keep an eye out for the new club list when we return.

It was wonderful to see such a strong turnout for **Parents' Evening**. Over 90% of children had an appointment, which shows how committed our families are to working with teachers to support every child's progress. Thank you for taking the time to attend and for the positive feedback shared with staff.

Attendance continues to be a key focus for us. Every parent will have received their child's attendance report during Parents' Evening. To make sure everyone has a complete picture, we'll resend all attendance reports digitally after the half-term break, showing each child's attendance for the first half of the autumn term.

A reminder, too, that our **F2 Open Evening for 2026 Reception Class starters** will take place on Thursday 6th November at 4pm. Please help spread the word to friends or family with children due to start school next September... it's a lovely event.

As **Halloween** approaches, please encourage children to stay safe when out and about: stay visible, stay together, and remember the stranger danger message we reinforce in school.

Finally, I'd like to thank our staff and volunteers for their energy and commitment this half term. The school feels busy, happy, and full of opportunity, just as it should.

Our **October 2025 Newsletter** is now available [here](#), on the school website and social media channels. It's packed with updates, photos, and key dates, including the Wheels Extreme visit, our after-school clubs, building upgrades, and upcoming events. Please take a few minutes to have a read; it's a great snapshot of school life this half term.

Have a safe and restful break, and we look forward to seeing everyone back in school on Monday 3rd November 2025.

Best wishes,

Mr S.G. Brady
Headteacher
