**Remembrance Assembly and Service
Monday 12th November 2018**

Just a very quick email to say a thank you for, and to congratulate you on, a truly wonderful morning yesterday.

The assembly was so educational, interesting and, above all, captured the poignancy, futility and pity of war. None of this went unnoticed by our pupils whose behaviour was impeccable and interest unflinching.

The theme continued outside at the short service. Congratulations to both Debbie Taylor and the other narrator and to Chris for her rendition of the last post. Flawless!

May I please ask you to share my comments with all who participated and all governors.

All the very best and thank you all for a truly memorable and emotional morning.
