HEADTEACHER: Mr. S.G. Brady B.Ed. (Hons), NPQH, FCCT

Wednesday 7<sup>th</sup> January 2026

Dear Parents and Carers,

We are pleased to inform you that the Neurodevelopmental Team will be visiting our school to deliver a parent and carer information session focused on neurodiversity.

**Date:** Tuesday 20<sup>th</sup> January 2026

**Time:** 1:15pm – 3:00pm

This session aims to provide families with helpful information and guidance around a range of neurodevelopmental differences. The presentation will cover the following topics:

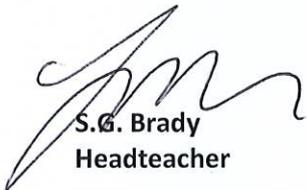

- Attention Deficit Hyperactivity Disorder (ADHD)
- Autism Spectrum Condition (ASC)
- Developmental Coordination Disorder (DCD)
- Pre-assessment pathways and available support

The aim of the session is to be informative and supportive for parents and carers who may be seeking a greater understanding of neurodiversity or who are considering next steps for their child.

Families are very welcome to ask general questions during the session. However, please note that due to time limitations, the Neurodevelopmental Team will not be able to offer individual or one-to-one support on the day.

If you would like to attend, please complete the reply slip below and return it to the school. Please be aware that there are a maximum of 30 spaces available.

Yours sincerely,

S.G. Brady  
Headteacher

## Reply Slip – Neurodiversity Parent Session Tuesday 20<sup>th</sup> January 2026 (1:15pm-3:00pm)
