

15th March 2018

Dear Bidston Avenue

Thank you so so much for having me yesterday. I really enjoyed delivering the course to your parents.

I just wanted to say I am very impressed with the pupils and staff at your school. They are all very helpful and polite. The pupils would smile and say hello and hold the doors open for me. I was really very impressed so thought I should let you know. It was an absolute pleasure to help some of your parents and I really hope to work with you again soon.

Kindest regards,

Emma Adams (Director)
