Dear Parents & Carers,

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet/data network is an incredibly important part of safeguarding our children.

We continue to show our commitment to protecting our pupils online by working with National Online Safety - providing resources for all parents and carers.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides (like those in the picture) covering a huge range of topics, including:

- Online Relationships
- Fake Profiles & Social Bots
- Online Bullying
- Online Grooming
- Child Sexual Exploitation
- Sexual Harassment & Violence
- Sexting
- Live Streaming
- Online Identity
- Screen Addiction
- Online Challenges
- Overspending
- Social Media Platforms
- Online Gambling
- Radicalisation, Terrorism & Extremism
- Age-Inappropriate Content
- Copyright & Ownership
