

Quest

Change in 11+ Assessment Provider to Quest Assessments

Dear Parent

From September 2026, The Wirral Consortium (Wirral Grammar School for Girls, Wirral Grammar School for Boys, West Kirby Grammar and Calday Grange Grammar) will be using Quest Assessments as the provider of our 11+ assessments.

This change follows a thorough review of our admissions process. We are committed to providing a fair admissions process to all pupils: Quest's assessments are designed to be accessible, academically rigorous and effective in identifying pupils with the potential to thrive in a grammar school environment.

Our assessment will continue to test maths, verbal reasoning and non-verbal reasoning. **No content beyond the Year 5 National Curriculum will be tested.** The application process will remain unchanged. Results will continue to be age-standardised. You can find out more here: <https://www.questassessments.com/parent-guidance>

We are committed to widening access and ensuring that our school communities are representative of the broader community. To support this aim, The Wirral Consortium is partnered with Atom Learning to provide all Pupil Premium eligible children in Years 3 - 6 with free access to KS2 learning resources and assessment familiarisation to support student progress.

Pupil Premium eligible families can access this support here: <https://www.atomlearning.com/pupil-premium/wirral>

Kind regards,

Wirral Consortium
