Dear Mr Brady,

Thank you very much for your recent generous donation of £392.29 towards our work with children. Please pass on our thanks to everyone involved for giving their time and enthusiasm for children in need of help and support.

The NSPCC works across the whole of the UK to protect children. We run a wide range of services for both children and adults, including national helplines and local projects, and our campaigning work takes place at a national, regional and local level.

All of this work would not be possible without the support of schools and communities such as yours. With your help, we're getting closer to ending cruelty to children in the UK.

Yours sincerely,

Lee Mitchell
Head of NSPCC Schools Service
