Dear Ms Meredith *& colleagues*

Thank you. By taking part in our Card Free Christmas, we're one step closer to transforming cancer care in our region.

Your donation of £692.92 will make a real difference as we embark on a journey to change cancer care for the better, by expanding our services into the heart of the population we serve and progressing even further with the ground-breaking research and therapies we undertake. This once in a generation opportunity to invest in our current Wirral site and build a brand new hospital in the heart of Liverpool will truly change lives for years to come.

I've enclosed a copy of our latest leaflet which tells you more about how your support is making a difference, it also tells you about other ways you can get involved with the charity.

Thank you once again for your kindness and support.

Yours sincerely,

Sarah Marsh
